CORRUPTING THE IMAGE AND WORD OF GOD PART I

¹¹ Behold, the days come, saith the Lord GOD, that I will send a famine in the land, not a famine of bread, nor a thirst for water, but of hearing the words of the LORD:

Amos 8:11 King James Version (KJV) By Pastor T. Catron of A.O.C.Ministries

In this world of faith and religion, Christendom has set itself a part from the rest of the belief systems of the world today. Christianity has a version of the bible for everyone to make it easy to read and understand. Each version is interpreted to the readers liking, which is good...right? Let's look at the original Bible that all the other versions come from; the KJV (King James Version) Rev. 22:19, Gal. 1:8

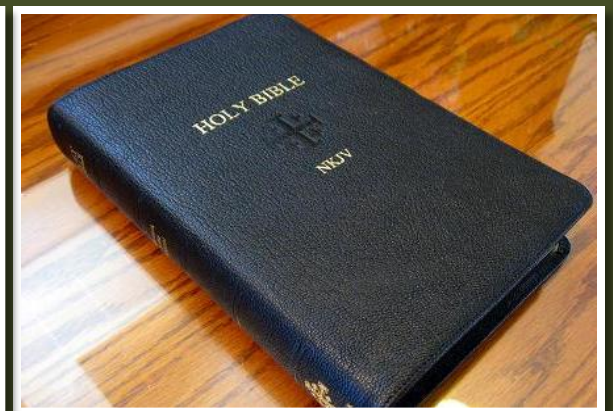

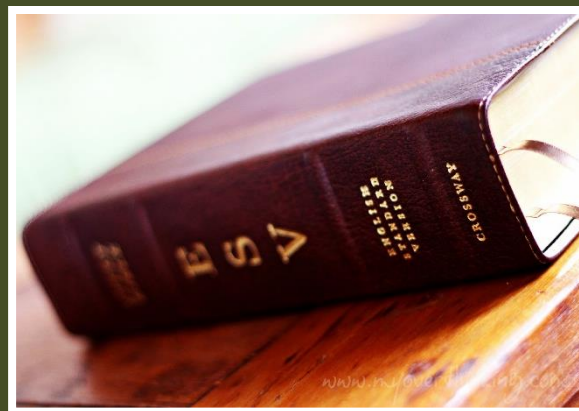

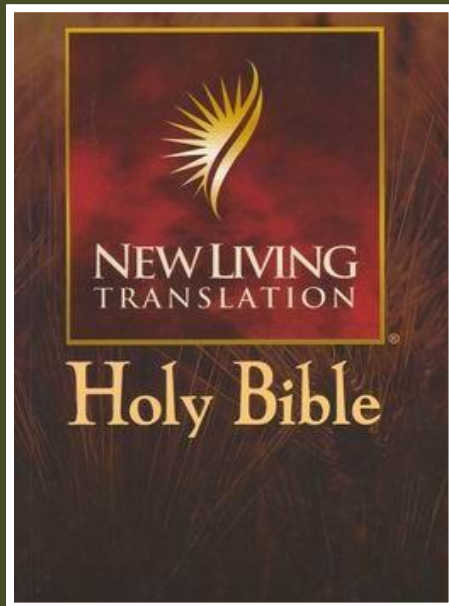

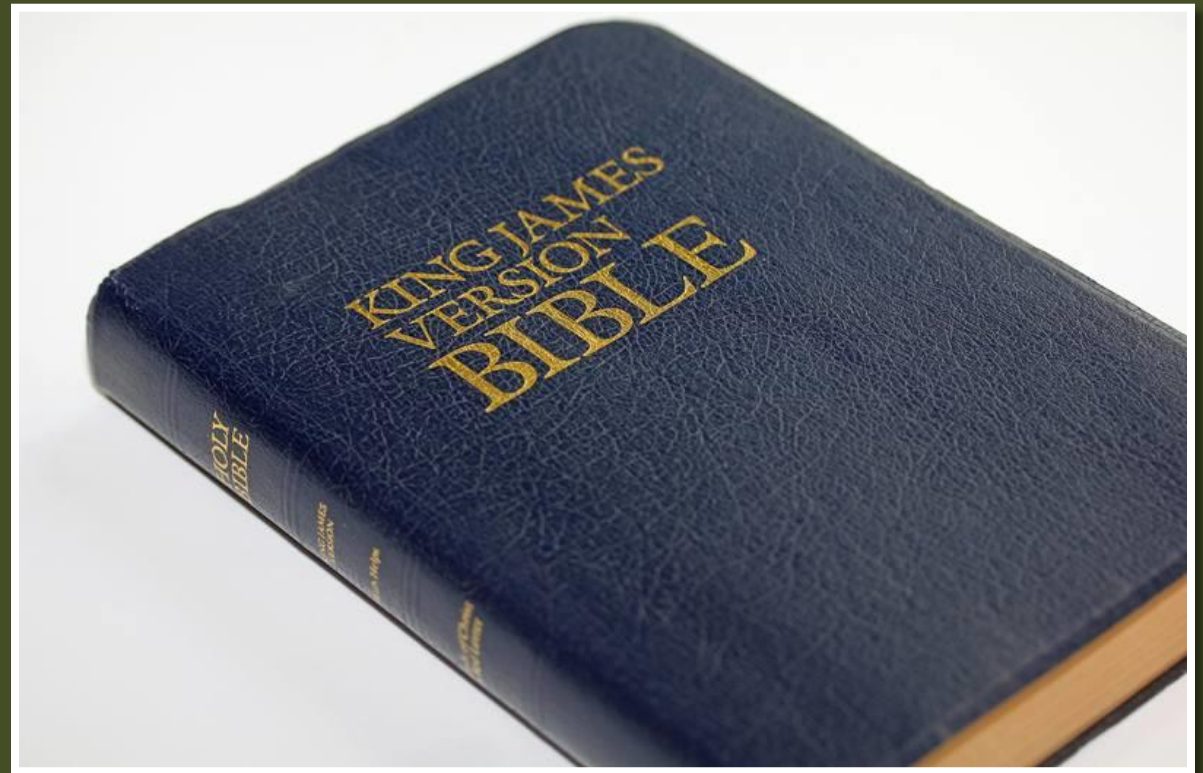

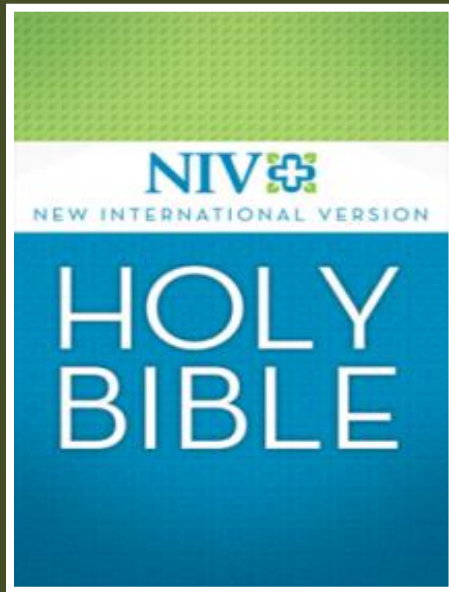

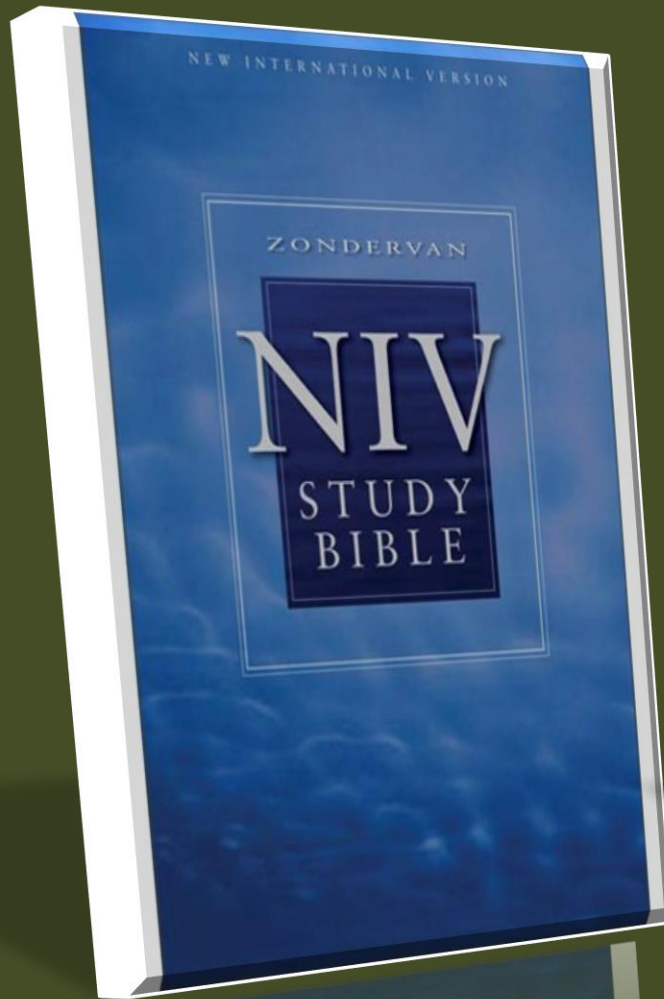

There is calculated to be over one thousand different versions of the King James Bible in the world today and over 100 versions in the United States alone, but there are 5 most widely used Bibles. They are in the order from the most popularly used to the least popularly used.

- 1) NIV (New International Version)
- 2) KJV (King James Version)
- 3) NKJV (New King James Version)
- 4) ESV (English Standard Version)
- 5) NLT (New Living Translation Version)

Let's check the validity of these bibles against the original Bible, the King James Version.

The beginning of a River, will never stay the same, it will always change its speed and course, and it will effect the area of contact around it. As children of our Lord and Savior Jesus Christ, we should be like that river ever moving and keeping our course. We should not change who we are, but should influence everyone around us and cause a change in their soul to bring them to repentance and back to God through Jesus Christ his Son Jesus, or in Hebrew Yeshua.
